*MAKING A DIFFERENCE...IN THE LIVES OF OUR STUDENTS, OUR  
COMMUNITY & OUR CHURCH*

Brescia University is  
*Making a Difference* in  
the lives of our students,  
our community, and our  
Church. Founded in 1925  
by the Ursuline Sisters of  
Mount Saint Joseph,  
Brescia University has  
been at the forefront of  
Catholic higher education  
in Western Kentucky. At  
Brescia, we are  
committed to continuing  
the tradition of St. Angela  
Merici who believed that  
education creates strong  
families, which in turn

create a stronger and more just society. At Brescia we are committed to continuing that tradition of meeting the educational needs of our students, whether from the local community or from faraway places. Each of our students is valued as uniquely created in God's image. We take pride in knowing our students, in creating an atmosphere of community where all students are welcome to fully participate in the life of the campus, and to provide all of the resources and opportunities they need to find success in their lives. Brescia University offers an intimate, rewarding educational experience with a small student to faculty ratio of 14:1 and an average class size of 25. You are not just a name on a roster at Brescia University—our faculty and staff respect you as an individual.
